

Hal Coat Rack by
Manuel Amaral Netto

Instalation Instructions

Follow these steps to install your Hal on the wall:

- 1 Measure the holes to drill on your wall.
Hal 50 they are 35 cm apart.
Hal 80 they are 60 cm apart.
- 2 We recommend placing your Hal at **130 cm from the floor.**
- 3 Drill the two holes
- 4 Screw the 2 screws almost all the way in. Leave about 5mm of space in between the wall and the interior of the screw head so you have enough space to slide it into the two slots.
- 5 And that is it you have installed your Hal.

UTIL

Is a Lisbon-based brand that creates designer furniture.

We are driven by a curiosity about people and how they live. Our goal is to develop furniture that blends in, rather than stands out, and is intentionally designed to be helpful and subtle.

We believe that every piece of furniture is for life. For that reason, we make sure our products are designed for a home that grows with you.

This is UTIL. Contemporary, functional, and understated designer furniture.

We are internationally designed and locally produced.
